

AGSA-2: Setting up an Access Grid (Adv)
20 September 2005, 0900 – 1200 hours

Objective of Course:

To provide a better understanding of an Advanced Access Grid node, a description of how to go about setting up such a node.

Course Outline:

- Definitions of Access Grid nodes
- Parts of an Advanced Access Grid node
- Setting up an Advanced AG node
 - Hardware requirements/considerations
 - Audio/Visual equipment considerations
 - Installation steps
- Sharing session: experiences of an actual setup

Audience : System Administrators

Instruction Type : Lecture

Prerequisites for this workshop:

- a) Must have attended Course C2 & AGSA-1, or
- b) Have relevant experience in setting up an Access Grid node (PIG). The applicant will be required to describe his relevant experience(s), which will be accessed by the NGCC team and will be handled on a case by case basis.

No Show Fee: A charge of \$50 will be levied if the attendee does not turn up for the course, or cancels his application for the course within 24 hours from the start time.

This is a FREE course and registration is on a first-come-first-served basis seats are limited.

Date : 20 September 2005
 Time : 0900 to 1200 hours
 Venue : The Big One, 21 Heng Mui Keng Terrace, Singapore 119613
